

Information about Sports Physical Therapy Institute at PDS

Sports Physical Therapy Institute is a private-practice, owned and operated by licensed physical therapists, that specializes in orthopedic and sports-related rehabilitation. We provide treatment for people of all ages with various orthopedic injuries and conditions, such as arthritis, broken bones, chronic neck and back pain, torn ligaments, overuse injuries, and athletic injuries, to name a few. All patients receive a thorough and comprehensive evaluation of the injured area - addressing the problem, health history, and functional goals. Beyond the evaluation, all patients work one-to-one with a physical therapist receiving manual treatment, an exercise and stretching program and a complete home exercise program for those days not in physical therapy treatment. This service is now available at the Princeton Day School athletic training facility! If you currently have a prescription for physical therapy, please feel free to contact SPTI. If you do not have a prescription from your physician, do not hesitate to stop by the PDS athletic training facility or call to discuss with the physical therapist about proper treatment for your injury.

- **Hours:** currently Tuesday & Thursdays, 6am-12pm; we are eager to expand the schedule as necessary
- **Insurance:** Most insurance plans accepted. With most insurance plans, patients can visit a physical therapist without a physician's prescription (please check with your plan)
- **Contact Information:**
 - **Dean Pinciotti, PT, President**-current treating physical therapist
 - **Princeton Day School: T: 609-924-6700 ext.1811**
