

Parents of Kindergarten Students

The State of New Jersey requires the following immunizations for children entering Kindergarten:

DTaP/DTP (Diphtheria, Tetanus, Pertussis)

4 doses, with one dose given on or after the 4th birthday, OR any 5 doses.

Polio

3 doses, with one dose given on or after the 4th birthday, OR any 4 doses.

MMR (Measles, Mumps, Rubella)

Measles- 2 doses on or after the first birthday

Mumps and Rubella- 1 dose each after the first birthday

Varicella (Chicken Pox)

1 dose on or after the first birthday (Laboratory evidence of immunity, or physician's statement of previous varicella disease is acceptable)

Hepatitis B

3 doses prior to the start of Kindergarten
