

Meal Plan 2022 - 2023

MEAL PLAN PROGRAM

Flik Independent School Dining is pleased to offer complete meal programs to the students at Princeton Day School, enabling them to have a sound, nutritious meal each day. In return for paying one fee students will receive a complete meal each day to include: an entrée item and two sides. The meal plan does not apply to the Snack Bar.

The Meal Plan is a “use it or lose it” system. We recognize the fact that a student may not be here every day, for this reason the meal plan is discounted by approximately 15% of the daily cash price.

Half year plans run School Open – Jan 13 and Jan 17 – School End.

If you would like to sign up for the full year program, you do have the option of having this charged to your PDS school account. This option for payment is only available for the full year meal program.

Gymateria Dining (Grades PreK – 2)

Full Year Program \$980

Half Year Program \$500

Lower School Campus Center (Grades 3 – 4)

Full Year Program \$1030

Half Year Program \$525

Campus Center Dining (Grades 5 – 11)

Full Year Program \$1125

Half Year Program \$575

Upper School Double Lunch \$1595

With the revised school schedule, we noticed there are some Upper School students who will eat lunch twice each day. This double lunch rate allows them to have lunch twice each day at a reduced rate instead of paying full price for the 2nd lunch. (Senior rate \$1400)

Senior Full Year Program \$950

We offer a discounted rate for Seniors since they may not be using the Dining Room for the last month of school. This discount only applies to the full year rate.

Student Name	Grade	Full or Half Year	Cost

You may also put additional funds onto the student's account for the snack bar.

Please make checks payable to Flik Independent School Dining.

Since we try to have all communication paperless, please list the email address you would like us to use for future communication.
