

July 20, 2020

To the Princeton Day School Community,

I am pleased to share with you additional information about the reopening of school in our promised July 20 document, Princeton Day School's [Reopening Plan Update](#).

Additional perspective about our planning process and reopening considerations is included in this **5-minute video message** [here](#).

An important additional request: **For each child enrolled at the School, please fill out a separate version of the brief Reopening Readiness survey linked [here](#).** Your answers will be instrumental to our reopening planning as we move forward in the days and weeks ahead.

Please complete the Reopening Readiness survey by this Friday, July 24.

If you have questions or suggestions regarding the School's reopening plans and considerations, I encourage you to email us at PDSReopens@pds.org.

Please also continue to check our [PDSReopens website landing page](#), which **includes all of the information, resources and updates related to the reopening of School for the 2020-21 school year.**

Finally, as mentioned in today's video, I look forward to continuing to provide additional updates to the PDS community each Monday as we approach the opening of school.

Sincerely,

Paul J. Stellato
Head of School
