

SECOND PARENT INFORMATION WAIVER REQUEST

Princeton Day School requires financial information from both custodial and non-custodial parents to be submitted when a family is requesting financial aid. Exceptions to this policy can be made in appropriate situations – typically when there is truly only one parent in the child’s life. If you are a single parent and need to request a waiver of a second parent’s information, please complete this form and submit it to Julie Cucchi, Director of Admission and Financial Aid. Please be assured that this information will be kept highly confidential.
