

Campus Center Meal Plan FAQ's

1. How does the meal plan work?

The meal plan is system in which the child's lunch is paid at the beginning of the semester. It is a use it or lose it system, but is significantly discounted to take into consideration the days that students may miss school. When your child (grades 3 – 12) comes into lunch, they simply swipe their card at the cashier station, but no money changes hands.

2. Can my child on the meal plan, also eat lunch in the snack bar?

The snack bar is not part of the meal plan. The meal plan is designed to offer the healthiest lunch, therefore all students eating on the meal plan must eat their lunch from the cafeteria. Students in the Lower School do not have the option of purchasing at the snack bar.

3. What is included on the meal plan?

On the meal plan a student may eat 1 entrée, 2 sides and a beverage each day.

Entrée = Hot Line Entree, 2 pieces of pizza, sandwich, big plate of pasta, grill sandwich, or big plate of salad

Side items = Soup, small salad, hand fruit, yogurt, vegetable, starch, fruit salad, applesauce

Beverages = Assorted Juices, 1% milk, Low Fat chocolate milk, Skim milk, Water and Flavored Water.

4. How would a student on the meal plan use the snack bar?

A student can be on the meal plan, and also have a declining balance account to use in the snack bar. They still use their ID card for both options. The registers in the cafeteria are programmed to only read their meal plan, and the snack bar is programmed to deduct from declining balance.

5. Can my child buy lunch for another student?

The meal plan is designed to offer 1 lunch per day from the cafeteria. If a student wants to buy a second lunch, it will be charged to the declining balance. This policy is in place to insure that your child has lunch for the entire week.

6. Is there another option besides the meal plan?

The student may also purchase all items ala carte. They can pay cash or use a declining balance in the cafeteria and the snack bar.

7. Am I reimbursed for meals missed on the meal plan?

No. It is a use it or lose it system, but is significantly discounted to take into consideration the days that students may miss school

All checks can be made to Flik Independent School Dining

Gymateria Meal Plan FAQ's

1. How does the meal plan work?

The meal plan is system in which the child's lunch is paid at the beginning of the year, or at the mid point of the year. We offer a full year or half year plan. It is a use it or lose it system, but is significantly discounted to take into consideration the days that students may miss school.

2. What is included on the meal plan?

On the meal plan a student may eat 1 entrée, 2 sides and a beverage each day.

Entrée = Hot Line Entrée or sandwich,

Side items = Soup, salad bar, hand fruit, yogurt, vegetable, starch, fruit salad

Beverages = 1% milk, Fat free chocolate milk, Filtered Water, Flavored Water

Students on the meal plan are also provided bagged lunches for field trips.

3. Is there another option besides the meal plan?

The student may purchase lunch on any day. Our preference is not to have lower school students handling cash, instead they would use a declining balance account. A declining balance account can be simply set up by sending in a check to Flik with your student's name in the memo section. It will then work like EZPass and each purchased lunch will draw down from the declining balance account.

4. Am I reimbursed for meals missed on the meal plan?

No. It is a use it or lose it system, but is significantly discounted to take into consideration the days that students may miss school.

5. How do I pay for the meal plan?

You can have the meal plan charged to your student's PDS account in the business office, or you can pay Flik directly.

All checks can be made to Flik Independent School Dining
